## **V8 DRIVERS TO KICK OFF CAMCO GROUP MOTORMANIA CQ IN STYLE**

**Join V8 drivers Tony D'Alberto, Tim Slade, Jack Perkins and Ryal Harris at the Camco Group MotorMania CQ Launch on Friday 16 July at the Gladstone Marina.**

The Leo Zussino Building at the Gladstone Marina will host an enormous night to celebrate the start of Central Queensland's biggest ever motorsport event, Camco Group MotorMania CQ 2010.

Supported by Gladstone Autopro, the free activities start at 5pm when you can meet the V8 drivers in person, get a picture with the All Hours Glass Grid Girls and meet the muscle behind the event at the local motorsport clubs displays.

The guests of honour include V8 driver Tony D'Alberto, who has been competing in the V8 Supercar Championship Series since taking the title of 2007 Fujitsu Supercar Series Champion, and Jack Perkins, son of legend Larry Perkins.

"We are so excited to welcome these V8 drivers to our region to celebrate the biggest motorsport event to ever take place in Central Queensland", said Event Manager, Ellie Traynor.

Following the official opening of Camco Group MotorMania CQ at 6pm, the All Hours Glass Grid Girl final will commence, where our eight beautiful All Hours Glass Grid Girls will compete for the title of All Hours Glass Miss MotorMania CQ.

Judged on their beauty, poise, personality and knowledge of motorsport, Chantelle, Danielle, Lisa, Jen, Rachelle, Sheldon, Stacey and Tara will compete in the bikini and question sections before the big announcement of who is Central Queensland's ultimate Grid Girl.

From 7:30pm, get your Pit Pass and join an exclusive evening with the V8 drivers, where you can get the chance to know them a little better as they discuss their hopes, dreams and career highs and lows.

Pit Passes for this very special evening are \$35 and include a canapé function and charity auction, with proceeds going to our local hospitals through "Give Me Five For Kids".

"Camco Group MotorMania CQ has been two years in the planning and many more years in dreaming and so to be noticed by the national motorsporting industry is a real credit to the hundreds of people who have made this event a reality," she said.

"With twenty-five different events and well over twenty different regional clubs involved, this is a true community event and something we as a region can be very proud of."

"The Camco Group MotorMania CQ Launch is the chance for everyone to come out and celebrate what is going to be a major event in years to come; chat with our clubs, get a picture with the All Hours Glass Grid Girls and meet our VIPS – it's a great Friday night out," said Ms Traynor.

Pit Passes can be purchased from Gladstone Autopro, 50 Hanson Rd, Gladstone or by calling (07) 4976 0555.

If you have an interest in motorsport, make sure you're at the Camco Group MotorMania CQ launch and start your ten-days of action in style!
